Sixty-fourth session
Agenda item 148
Financing of the United Nations Operation in Côte d'Ivoire

Performance report on the budget of the United Nations Operation in Côte d'Ivoire for the period from 1 July 2008 to 30 June 2009

Report of the Secretary-General

Corrigendum

Section IV, paragraph 42

The paragraph concerning ground transportation *should read*

42. The variance was attributable primarily to the 34 per cent lower consumption of fuel from a projected consumption of 11.6 million litres to actual consumption of 7.6 million litres. The reduced requirements were partially offset by actual prices which were 18 per cent higher than budgeted.
